## **Business Account Package: Computer Systems Repair Waiver**

---

This authorizes OTZ to go beyond standard computer hardware diagnosis and adjust your computer software and/or local area network in order to repair your computer systems and/or Internet connectivity problems.

- \_\_\_ (initial) I provide my express consent as the service subscriber for OTZ to make changes in software settings and configuration to my computer system and/or network.
- \_\_\_ (initial) I relieve OTZ technicians and OTZ as a company of any liability for damage or the perception of damage to my compute system and/or network.
- \_\_\_ (initial) I understand without my express consent OTZ will cease diagnosis if a problem appears to be software related and I will not be charged by OTZ.
- \_\_\_ (initial) Once I provide authorization to OTZ, I understand time and charges begin in thirty (30) minute increments at a rate of \$95.00 per hour (\$47.50 every 30 minutes) or by 25-hours prepaid block of time at a rate of \$90.00 per hour.
- \_\_\_ (initial) I understand if an OTZ technician needs to stop during the first hour to retrieve a replacement part, for example, the first hour of work will continue when the technician returns.

As the Internet service subscriber or business subscriber, I hereby authorize OTZ to diagnose and make adjustments to any software or Local Area Network problems as they relate to a requested repair to my computer system trouble and/or Internet connectivity problems. I understand I will be solely liable for time and charges that accrue and any possible damage to the computer system or network as a result of this repair.
